158 **Eldene Centre Refurbishment Project**

Cllr Bell updated the meeting as follows: The Parish Council acknowledge the ward councillors were given £250,000 for the regeneration of the area in front of Eldene Community Centre (site of old shopping centre). These funds were allocated 4 years ago and to date the result is a gravelled area. Cllr Bell suggested that the Parish Council request the Chair to write to the cabinet member responsible for such developments requesting that the funds are reallocated to the Parish Council to deliver these improvements. The next stage then may take the form of using current information and ideas to move forward with the area and change the appearance from a shingle beach. It might then prove prudent to seek support from residents for the project.

It was unanimously RESOLVED that Cllr Parry would write to the cabinet minister responsible as a matter of urgency.
